

PRAYER SHIELD 2016....VISIONS AND WORDS AS ONE

FIRST VISION: April 28th 2015 at a PPS meeting, during a time of worship.

“I saw huge gold/brass shields all around the group of us praying, higher than the ceiling, about 3 feet wide....a real shield of faith, as they stood overlapping one to another, just like us as we stand shoulder to shoulder! They were all around us, protecting us and it was as if our prayers were going straight to heaven!! Amazing.”

COMMENTS:

The shields were described as being long and rectangular in shape, coming from heaven to earth, and were made of a dull gold metal, not like anything in this world, but were so strong, that no weapon could get through. They were plain, yet perfect, and made so they could link firmly together.

SCRIPTURE BASED WORDS: Aug-Sept 2015 from a second PPS team member.

“The Lord is calling for a shield of faith and prayer to cover Scotland. Nahum 2, 1-5. In verse 5 they were rushing and stumbled. We still have time, but now is the time to start; if we leave it till later, there is a danger that there will be a stumbling in our haste. Picture....pockets of prayer becoming shields, and then those shields joining together until the whole of Scotland is covered in one shield. Once the shield is in place, we then soak the atmosphere under it with thanksgiving, prayer and praise, changing the atmosphere in Scotland. The time to do this is NOW. The UNITY found in John 17, 11 and 22 is vital, to enable us to come together and lock shields AS ONE.

Rev.5 v 6-7 Our prayers are so important in God’s eyes that he has collected every one in golden bowls. They join the prayers of Jesus and also those who prayed for this land and are now in glory, having finished their race well. There are three “generations”- those now in glory, we who are here on earth and those not yet born. Those now in glory blessed us before our birth, and we are the richer for it. Now we are called to bless those yet to come and to

stand in the gap and continue to cry out for the children and pass on the baton like Jesus to the church and Paul to Timothy.”

SECOND VISION: August 2nd 2015 at local church communion service.

“I heard a sound like massive shields/gates, each one banging into place...I was very puzzled that no one else could hear this loud sound, then I realised it was the Spirit and prayed... Lord, help me see this sound - Then I saw them, massive shields like the ones I’d seen before! Amazing! Then I could see that these shields connected heaven to earth! They linked together to make a very strong shield that seemed to change into a bowl shape—a very bright living blue colour on the inside and silver/mirror like on the outside—it began to fill up with the blood of JESUS- this was very powerful to see- then as it filled to about halfway, it turned to NEW red communion wine. It filled the rest of the bowl/cup full to the brim!!!

COMMENTS:

Visions often contain symbolism and it may be helpful to know that that the bright blue colour speaks of heaven coming to earth; silver represents REDEMPTION, and the blood and wine represent the finished work of Jesus Christ on the cross. The mirror reflection indicates that the enemy is defeated, because he can only see a mirror image of himself, and does not see the work of salvation that is going on inside the cup.

THIRD VISION: October 25th 2015 at local church communion service.

“I saw the huge cup again, full of the blood/wine. It filled up the cup and spilled over. Then the cup wrapped itself around the world like a thick red liquid, and a bright light, full of love and comfort to those who love JESUS... but there is also darkness out there and this brought fear to others. While communion was taking place I was aware of a beautiful very clean smell—like freshly washed linen, reminding us that we are washed and clean, by his blood! Then the promise of John 3.16 came to my heart and brought the vision to a finish. John 17, 11 and 22 seemed to say it all and Acts 2.1 as well, for they came together AS ONE.”

COMMENTS:

This vision speaks of the salvation of JESUS which goes out to the whole world. **(John 3.16)** Clean linen refers to the righteous acts of the saints who have washed their robes in the blood of the Lamb. **(Rev. 7. 14, and Rev. 19, 6-8.)**
